

Mission Statement: To provide real life experiences and opportunities to enhance problem-solving, critical thinking, creative thinking, and leadership skills.

Faculty Advisor: Mrs. Prester in 113

What do we do? We participate in competitions through outside organizations, go on business-related field trips as they become available, and look for opportunities that will help you learn about what the business world is really like!

Meetings: Bi-monthly on Mondays
Our first meeting will be on 10/7

Google Classroom: Join the Class so that you can access materials and reminders about upcoming meetings and important events. (class code: **u6bpnt**)
